Lymington	Sky blue with maroon quarters
Newport	Yellow and navy blue
Poole	White with red hoop
Ryde	White with royal blue & gold hoops
Southampton	Red and white
Southsea	Dark blue / white / light blue

Notice to Club Captains

No trailers or towing vehicles will be allowed in the Club car park. The Quomps will be open for trailer parking from 7.30am. Trailers are free of car park fees, vehicles need to have a ticket.

The Regatta will be held under the rules of the Hants and Dorset A.R.A. A permit for the race has been obtained. Neither the Association nor the regatta committee accepts any responsibility for any loss or damage by or to any person or property whatsoever.

The Course:

- Start - Tower on Bournemouth Bank.
Stakeboats mark contact point for a static start.
- Race - Downstream.
- Turn - Claypool, opposite the Sailing Club
- Finish - Balcony at Christchurch Rowing Club

Prior to the start of each race, the strokes of each crew will toss a coin to decide their stations. This must take place on the bank. All crews must pair up with their opposition behind the start line and remain in full view of the starters at all times.

Boats must keep to their stations at all times and not cross the centre marker buoys. Failure to obey will result in disqualification. If the blades cross this centre line and cause an infringement to the other crew, the crew responsible will be disqualified.

All crews must immediately clear the course at the end of their race, by rowing straight into the Rowing Club basin.

No practising allowed on the course at any time. Boats should not go above the Tuckton Tea Gardens – any crew found to have gone through the bridge risks disqualification. Crews will not attempt racing “starts” upstream of the start area or before the start. Warming up should be completed on land – concept ergometers are provided for this purpose.

All protests must be made to the umpire, whose decision is final.

The Regatta Control must be notified of all name changes and scratchings, in order to inform the finishing judges. No late entries can be accepted.

Challenge cups and prizes will be awarded to winning crews in each event. Prizes will be awarded to all novice and J16 finalists

The committee reserves the right to alter the programme if conditions dictate. Crews must be prepared to row up to 45 minutes ahead of the published times.

Safety and Communications

Course Hazards:

The main channel will be free of all moored boats but there is likely to be some pleasure craft using the channel and other craft launching to have access to the harbour. Coxswains should be made aware of this and under no circumstances must any unnecessary risk be taken. Safety craft will alert officials and shore stewards of any such hazard.

Communications:

There are public telephones at the Rowing Club and Sailing Club

All parties can be contacted by radio handsets and can be reached on the following channels

Rowing control - Channel 37A

Safety craft - Channel 37A

Emergency Numbers:

In case of an emergency, please notify a Regatta Co-ordinator for an effective emergency service response due to the amount of safety craft, radio cover and telephones in operation.

Rescue Crafts:

The safety crafts are manned by members of the Christchurch Rowing Club, also in attendance are Christchurch Marine Volunteer Service.

Safety and first aid kits are carried by each of the safety crafts.

First Aid:

First aid will be based at Christchurch Rowing Club. A defibrillator can be found at the Captains Club (as well as with the first aid provider).

Please note:

It is expected that all crews and craft meet the safety standards laid down by British Rowing.

Chiropractic Clinic Every Monday at CRC

One of our own rowers Eloise Moody
runs a chiropractic clinic
within the club every Monday
for all club members
- including recreational and social.

"I can help with issues from lower
back pain and sciatica
to managing sports injuries".

Devon based, on the largest lake in the South West.
A great venue for Training Camps and
maybe a holiday row in glorious Devon countryside.

Contact: Ian Lamb. RoadfordLakeRC@hotmail.com

THANK YOU

Christchurch Rowing club would like to thank all their sponsors:

**Roadford Lake Rowing Club
Captains Club Hotel & Spa
River Shack Boats
Magnolia House Vets
The Moody Chiro**

And a special thank you to Christchurch Timber who very generously sponsored ½ the races of the day.

CRC also wish to express their appreciation to the following for their support and co-operation in making the Regatta a success:

**Bournemouth Boating Services
Christchurch Borough Council
Dorset Police
Christchurch Sea Cadets
Maritime Volunteer Service
Neals and Son Butchers**

**Bournemouth Water Leisure
Christchurch Sailing Club
Hants and Dorset Racing Officials
Jarvis Radio
Boat Owners and Mooring Holders**

The organizing committee and members of Christchurch Rowing Club who volunteer their help throughout the day.
